(vi) Institutional set-up for liquidity risk management:

The Company's Board of Directors assume the overall responsibility for management of liquidity risk.

Risk Management Committee ('RMC') shall have overall responsibility of evaluating liquidity risks faced by the entity and will act as per mandate of the Board in managing the liquidity risk and adherence to this framework through itself and the various sub-committees reporting into it.

Asset Liability Committee ('ALCO') reports into the RMC which in turn is supported by Asset Liability Management Support Group in managing the overall liquidity risk of the Company.

[^] Total Liabilities represents total liabilities as per balance sheet less total equity
